

Camp Cougar Mountain

“Conservation Through Exploration”

Summer 2026 Camp Schedule

Camp Safety and Policies

Safety and inclusion policies and inclement weather and zoo closure plans

Child Safety Policies

Cougar Mountain Zoo is committed to the safety and well-being of your child. To help ensure camper safety, all staff have undergone background checks and are trained in emergency response, however, please note that they are not trained Emergency Medical Technicians or First Responders, but equipped to provide aid until emergency services arrive.

A supportive and inclusive environment will be created by encouraging active participation and play, setting clear expectations for campers and counselors, using respectful and positive verbal and body language, and ensuring all activities are inclusive or able to be modified to allow participation for all.

Camper Code of Conduct

To ensure safety, well-being, and inclusiveness of campers, no aggressive/vulgar language, acts or threats of violence, insults based on identity, or bullying will be tolerated. We reserve the right to dismiss campers and/or caregivers who we deem to have violated this code of conduct.

Questions?

For questions and additional information contact us at education@cougarmountainzoo.org

Inclement Weather Plan

Weather will be monitored, and camp activities will be modified or canceled to prioritize safety and well-being. Notice of any cancellations by the zoo will be sent to an email provided for all participants.
